1. Organiser and Promotion Period

1.1 The "Double Trick or Treat" bonus promotion (the "Promotion") is organised by Vittaverse Ltd, a company registered in St. Vincent and the Grenadines with its Registered Address at Euro House, Richmond Hill Road, Kingstown, St. Vincent and the Grenadines (the "Company", "we", "us").

1.2 The Promotion runs from 19 October 2026, 00:00 until 1 November 2026, 23:59 Platform Time (the "Promotion Period"), in two layers:

Layer	Period (Platform Time)	Who qualifies	Minimum per deposit	Bonus	Maximum Bonus per Client
Layer 1: The Trick	19 to 25 October 2026	All eligible Clients	100 USD	40%	5,000 USD
Layer 2: The Double Treat	26 October to 1 November 2026	Double Treat Clients	200 USD	80%	5,000 USD
Layer 2: Single Treat	26 October to 1 November 2026	All other eligible Clients	200 USD	40%	5,000 USD

1.3 These Terms are Promotion Specific Terms under the Company's Bonus & Promotions Policy (VT-BONUS-001) and form part of the Company's Client Services Agreement (VT-CA-001). By accepting or trading on the Bonus, the Client agrees to be bound by these Terms.

2. Definitions

2.1 **Bonus** means the tradable credit granted under these Terms. The Bonus is not cash, is not client money and cannot be withdrawn.

2.2 **Qualifying Deposit** means a single transfer of new funds from the Client's Wallet into an Eligible Account during the relevant Layer, which meets the minimum amount for that Layer. Transfers between trading accounts are not Qualifying Deposits.

2.3 **Eligible Account** means any live Standard or ECN trading account in the Client's own name, whether new or existing.

2.4 **Layer 1 Period** means 19 October 2026, 00:00 until 25 October 2026, 23:59 Platform Time.

2.5 **Layer 2 Period** means 26 October 2026, 00:00 until 1 November 2026, 23:59 Platform Time.

2.6 **Double Treat Client** means a Client who made at least one Qualifying Deposit during the Layer 1 Period.

2.7 **Platform Time** means the server time shown on the Company's trading platform.

3. Eligibility

3.1 The Promotion is open to new and existing Clients who:

- a) are residents of Iran, Afghanistan or Turkey;
- b) have completed identity verification (KYC) to the Company's satisfaction; and
- c) hold an Eligible Account.

3.2 Accounts of any other type, including VIP, Islamic or any other special configuration, are not eligible.

3.3 The Bonus cannot be combined with any other active bonus or promotion on the same account. If one account already holds another active bonus, the Client can take part using any other Eligible Account they hold.

3.4 Clients introduced by Introducing Brokers (IBs) may be subject to separate eligibility rules at the Company's discretion. IB remuneration on Bonus funds may be restricted.

3.5 The Company may refuse to grant the Bonus to any Client at its sole discretion.

4. Layer 1: The Trick (40%)

4.1 Every Qualifying Deposit of at least 100 USD made during the Layer 1 Period receives a Bonus equal to 40% of the deposit.

4.2 Deposits below 100 USD do not qualify and are not added together to reach the minimum.

4.3 There is no maximum deposit amount. The maximum Bonus per Client during the Layer 1 Period is 5,000 USD.

4.4 A Client who makes at least one Qualifying Deposit during the Layer 1 Period becomes a Double Treat Client for Layer 2.

4.5 Example: a Client deposits 300 USD on 20 October and 700 USD on 23 October. The Client receives a Bonus of 120 USD plus 280 USD, 400 USD in total, and becomes a Double Treat Client.

5. Layer 2: The Double Treat (80%)

5.1 Every Qualifying Deposit of at least 200 USD made by a Double Treat Client during the Layer 2 Period receives a Bonus equal to 80% of the deposit.

5.2 Every Qualifying Deposit of at least 200 USD made during the Layer 2 Period by a Client who is not a Double Treat Client receives a Bonus equal to 40% of the deposit.

5.3 Deposits below 200 USD during the Layer 2 Period do not qualify and are not added together to reach the minimum.

5.4 There is no maximum deposit amount. The maximum Bonus per Client during the Layer 2 Period is 5,000 USD, at either rate.

5.5 The 80% rate applies only to deposits made during the Layer 2 Period. Bonus already credited for Layer 1 deposits is not increased.

5.6 A Client loses Double Treat status if, before making a Layer 2 Qualifying Deposit, the Client withdrew or transferred out any funds from the account that received the Layer 1 Bonus. Such a Client receives 40% under section 5.2.

5.7 Example: the Client in section 4.5 deposits 1,000 USD on 28 October and receives a Bonus of 800 USD. A Client who did not deposit during Layer 1 and deposits 1,000 USD on 28 October receives a Bonus of 400 USD.

6. Bonus Limits

6.1 There is no maximum on Qualifying Deposits. The limit applies to the Bonus: a maximum of 5,000 USD per Client in the Layer 1 Period and 5,000 USD per Client in the Layer 2 Period, so 10,000 USD in total for the Promotion. Unused Bonus allowance in one Layer cannot be carried into the other.

6.2 Where a Qualifying Deposit would take the Client's Bonus above 5,000 USD for a Layer, the Bonus is credited only up to that limit.

6.3 Example: a Double Treat Client deposits 7,000 USD during the Layer 2 Period. At 80% this would give 5,600 USD, so the Bonus credited is capped at 5,000 USD.

6.4 All accounts held by the same Client, and accounts the Company treats as related or linked, are counted together for minimums, limits and Double Treat status.

6.5 Bonus removed under section 9 or section 10 still counts towards these limits.

7. Bonus Crediting

7.1 The Bonus is calculated and credited automatically to the Eligible Account that received the Qualifying Deposit.

7.2 If the account has open positions when the Bonus is due, the Bonus will be credited only once all open positions are closed. The Client must not trade on the expectation of a Bonus that has not yet been credited.

7.3 The date and time of a deposit is the time the transfer is approved on the Company's systems. Deposits approved outside the Layer periods do not qualify, even if initiated earlier.

7.4 The Bonus is not a liability of the Company towards the Client. The Company is not liable for any delay or failure in crediting the Bonus for technical, operational or compliance reasons.

8. Trading Conditions

8.1 The Bonus is tradable. It is added to the account equity and can be used as margin to open and hold positions and to absorb trading losses.

8.2 The Bonus itself is not withdrawable, cannot be transferred to another account and cannot be exchanged for cash.

8.3 Any Bonus used to absorb trading losses is not replaced.

8.4 All trading is subject to the Client Services Agreement and the standard trading conditions of the account type.

9. Withdrawals and Bonus Removal

9.1 The Bonus cannot be withdrawn under any circumstances.

9.2 If the Client withdraws or transfers out any amount from an account holding a Bonus, the full Bonus on that account is removed at the same time, regardless of the amount withdrawn.

9.3 Removed Bonus cannot be reinstated, reclaimed or applied to future deposits.

9.4 The Company accepts no responsibility for any impact of the removal, including margin shortfall, stop out of open positions or account closure.

9.5 Example: a Client deposits 1,000 USD and receives a Bonus of 400 USD. After trading, the balance is 1,300 USD. If the Client withdraws 50 USD, the full Bonus of 400 USD is removed.

10. Bonus Validity and Expiry

10.1 The Bonus remains on the account for 60 calendar days after the end of the Promotion Period, until 31 December 2026, 23:59 Platform Time (the "Expiry Date"), unless removed earlier under these Terms.

10.2 On the Expiry Date, any remaining Bonus is removed automatically and without prior notice.

10.3 It is the Client's responsibility to monitor the Expiry Date and manage open positions and margin. The Company accepts no liability for margin calls, stop outs or position closures resulting from the removal of the Bonus.

11. Prohibited Conduct and Abuse

11.1 The Bonus may only be used in good faith for normal trading activity. The following is considered abuse:

- a) **Hedging:** opening opposite positions across accounts held with the Company or with other brokers to extract Bonus value without genuine market exposure;

- b) **Coordinated trading:** acting with other Clients, third parties or Introducing Brokers to structure positions that exploit the Bonus without real economic risk;
- c) **Multiple accounts:** using several accounts or identities, directly or through associated persons, to claim more than one Bonus or exceed the limits;
- d) **Arbitrage:** exploiting price delays, latency, feed errors or other pricing irregularities;
- e) **Automated exploitation:** using Expert Advisors or other tools designed to exploit the Bonus or the trading platform;
- f) **Fraud:** providing false or misleading information or documents; and
- g) any other conduct the Company reasonably considers manipulative, abusive or contrary to the spirit of the Promotion.

11.2 If the Company has reasonable grounds to suspect abuse, it may, at its sole discretion and without prior notice:

- a) cancel all or part of the Bonus and any profits generated with it;
- b) offset profits from winning accounts against losses in related or hedged accounts;
- c) cancel transactions linked to the abuse;
- d) recover any Bonus, commissions or benefits received by the Client or any associated Introducing Broker; and
- e) restrict, suspend or close the Client's accounts and terminate the Client Services Agreement.

11.3 The Company's assessment of abuse is made in good faith on the basis of account activity and trading patterns, and is final.

12. General Terms

12.1 The Bonus is offered at the Company's sole discretion. The Company's decisions on all matters relating to the Promotion are final and binding.

12.2 Clients may opt out of the Promotion by writing to support@vittaverse.com. On opt out, any active Bonus is removed immediately and no further Bonus is credited.

12.3 The Company may amend, suspend or cancel the Promotion at any time, including for technical, regulatory or force majeure reasons. Any changes will be published on the Promotion page.

12.4 The Company is not liable for any loss arising from the removal of the Bonus for any reason permitted under these Terms, or from platform outages, connectivity problems or payment delays outside its reasonable control.

12.5 Clients are solely responsible for any taxes or duties due in their country of residence.

12.6 Personal data is processed in accordance with the Company's Privacy Policy.

12.7 In case of conflict on any matter relating to the Promotion, these Terms prevail over the Bonus & Promotions Policy (VT-BONUS-001).

12.8 These Terms are governed by the laws of St. Vincent and the Grenadines.

12.9 If these Terms are translated, the English version prevails.

Risk Warning

Trading Contracts for Difference (CFDs) on margin carries a high level of risk and may not be suitable for all investors. The high degree of leverage can work against you as well as for you, and you may lose all of your invested capital. A Bonus increases trading capacity and therefore both potential gains and potential losses. Before trading, please ensure you fully understand the risks involved and seek independent advice if necessary.
