Takeoff Bonus

Terms and Conditions

These Terms and Conditions ("Bonus Terms") govern the 100% Bonus ("Bonus") offered by Vittaverse Ltd ("Company") to eligible Clients. They form part of, and must be read in conjunction with, the Client Services Agreement, the Company's Bonus & Promotions Policy, and all other legal documents published by the Company. In the event of any conflict, the Client Services Agreement shall prevail.

By applying for, accepting, or trading on the Bonus, the Client confirms that they have read, understood, and agreed to be bound by these Bonus Terms, which may be amended at any time at the Company's sole discretion.

1. Bonus Overview

1.1 The Company offers a 100% Bonus on qualifying transfers into eligible trading accounts, up to a maximum of USD 10,000. The Bonus is credited as a notional credit amount and is reflected in the Client's account equity.

1.2 The Bonus is non-withdrawable and cannot be converted to cash under any circumstances. It functions as additional margin buffer and remains available to support the Client's account during periods of drawdown, in accordance with Section 5 below.

1.3 The Company reserves the right to amend, suspend, or terminate this Bonus offer at any time and without prior notice.

1.4 This Bonus offer is a limited-time promotion, valid from 17 August 2026 to 31 August 2026 (inclusive) ("Promotion Period"). Qualifying transfers received outside the Promotion Period are not eligible for this Bonus.

2. Eligibility and Account Conditions

2.1 The Bonus is available to all approved Clients of the Company, subject to compliance with these Bonus Terms and the Client Services Agreement.

2.2 The Bonus applies to Standard Accounts and VIP Accounts only. Accounts under ECN, raw spread, or any other non-standard configuration are not eligible.

2.3 Only one (1) Bonus-eligible account may be held per Client at any time. The Bonus Scheme cannot be applied to multiple accounts simultaneously.

2.4 The Bonus applies to all inbound transfers into an eligible account made during the Promotion Period. The minimum qualifying transfer amount is USD 100 (or equivalent in the account base currency). Transfers below this threshold will not attract the Bonus.

2.5 The maximum cumulative Bonus that may be credited to a Client across all time is USD 10,000. Any transfer that would result in the total credited Bonus exceeding this cap will receive only a partial Bonus sufficient to reach the cap. No further Bonus will be credited once the cap is reached, regardless of subsequent deposits.

2.6 Where a Client deposits more than USD 5,000 in a single deposit, that Client is entitled to move the deposited funds to a VIP Account and have the 100% Bonus credited on that VIP Account, subject to Section 2.7 below.

2.7 To claim the Bonus on a qualifying deposit exceeding USD 5,000 for a VIP Account, the Client must contact support@vittaverse.com after the funds have already been credited to the Client's wallet. The Bonus will not be credited automatically for deposits above this threshold and must be claimed via the process set out in this clause.

2.8 The Bonus is not available on internal transfers from accounts already subject to another active promotion. Clients wishing to participate must open a separate eligible account.

2.9 Clients introduced through Introducing Brokers (IBs) may be subject to separate eligibility rules at the Company's discretion. IB remuneration on Bonus funds may be restricted.

3. Bonus Crediting

3.1 Upon receipt of a qualifying transfer, the Bonus will be automatically calculated at 100% of the transferred amount (subject to the cap in Section 2.5) and credited to the eligible account, save for deposits above USD 5,000 destined for a VIP Account, which follow the claim process in Section 2.7.

3.2 The Bonus will be reflected in the Client's account equity and may be used as margin for open positions.

3.3 If the Client's account contains open positions at the time of crediting, the Bonus will be credited only once all open positions are closed. The Client must not trade on the expectation of Bonus credit while positions remain open.

3.4 The Bonus is not recorded or construed as a liability of the Company towards the Client. The Company shall not be liable for any delay or failure in crediting the Bonus due to technical, operational, or compliance reasons.

4. Bonus Expiry

4.1 Each Bonus credit carries a validity period of sixty (60) calendar days from the date it is credited to the account ("Expiry Date").

4.2 On the Expiry Date, any remaining Bonus balance — whether in full or in part — will be fully and automatically removed from the account without prior notice.

4.3 The Company accepts no liability for any losses, including margin calls, stop-outs, or open position closures, that may result from the removal of Bonus funds upon expiry. It is the Client's sole responsibility to monitor the Expiry Date and manage their account accordingly.

4.4 Removed Bonus amounts cannot be reinstated, reclaimed, or applied to future deposits.

5. Withdrawals and Use During Drawdown

5.1 The Bonus cannot be withdrawn under any circumstances and cannot be converted into withdrawable funds.

5.2 The Bonus remains on the account and continues to serve as margin support during periods of drawdown. Unlike the Company's standard tradable bonus schemes, the Bonus credited under this promotion is not proportionally removed when the Client submits a withdrawal request.

5.3 The Client acknowledges that the Bonus is a notional credit intended to support trading activity and is not, and shall not be treated as, the Client's own funds for withdrawal purposes.

5.4 The Company shall not be liable for any losses, damages, or costs arising from the Bonus's treatment during drawdown, or from the Client's reliance on the Bonus as margin.

6. Prohibited Conduct and Abusive Behaviour

6.1 If the Company has reasonable grounds to believe that a Client has engaged in Abusive Behaviour — including but not limited to hedging abuse, coordinated extraction schemes, provision of false information, or the use of multiple accounts to obtain multiple Bonuses — it may, at its sole discretion and without prior notice:

- cancel or reverse all or any part of the Bonus, including any profits generated in connection with such activity;
- offset profits from winning accounts against losses in related or hedged accounts;
- cancel pending or executed Transactions associated with the abusive activity;
- recover and adjust any Bonus amounts, commissions, or benefits received by the Client or any associated Introducing Broker;
- restrict, suspend, or permanently close the Client's account(s);
- terminate the Client Services Agreement with immediate effect.

6.2 The Company's determination of Abusive Behaviour shall be made in good faith and in accordance with available data, account activity, and trading patterns. Such determination shall be final and binding on the Client.

7. General Provisions

7.1 The Bonus is offered at the Company's sole discretion. The Company reserves the right to exclude any Client from this offer at any time without explanation.

7.2 Participation in this Bonus offer does not entitle the Client to participate in any other promotion, bonus, or incentive programme offered by the Company simultaneously. Clients may not hold multiple active bonus schemes on the same account.

7.3 Clients may opt out of the Bonus Scheme by submitting a written request to support@vittaverse.com. Upon opt-out, all active Bonus balances will be removed immediately and no further Bonus will be credited on subsequent transfers.

7.4 The Client acknowledges that leveraged trading in Forex and CFDs involves a high level of risk and that the use of the Bonus as margin amplifies both potential gains and potential losses. The Company accepts no liability for losses arising from trading on Bonus funds.

7.5 The Company shall not be liable for any losses, damages, or costs arising from the removal of the Bonus — whether due to expiry, withdrawal, opt-out, abuse determination, or any other reason permitted under these Bonus Terms.

7.6 These Bonus Terms are subject to change at any time at the Company's sole discretion. The Client will be notified of material changes via the Company Website or Trading Platform. Continued participation in the Bonus Scheme following notification constitutes acceptance of the revised terms.

8. Governing Law

8.1 These Bonus Terms are governed by the laws applicable to Vittaverse Ltd as a company incorporated in St. Vincent and the Grenadines. The governing language of these Bonus Terms is English.

8.2 These Bonus Terms are supplemental to, and incorporated by reference into, the Client Services Agreement (VT-CA-001). Any dispute arising under this Bonus offer shall be resolved in accordance with the dispute resolution provisions of the Client Services Agreement.
