This Rollover Policy (“Policy”) governs the terms applicable to Swap-free trading accounts offered by **Vittaverse Ltd** (“Company”). It forms part of, and must be read in conjunction with, the Client Services Agreement (“Agreement”) and all other legal documents issued by the Company. In the event of any conflict, the Agreement shall prevail.

By submitting a Swap-free account request, whether via the client portal, email, or any other method designated by the Company, the Client confirms acceptance of the terms set out in this Policy as may be amended from time to time at the Company’s sole discretion.

## **1. Eligibility**

**1.1** Swap-free accounts are available exclusively to Clients who are unable to engage in interest-bearing instruments due to religious beliefs, specifically in observance of Sharia law.

**1.2** The Company reserves the right to request supporting documentation or a written declaration as evidence of the Client’s eligibility. Submission of a request does not guarantee approval.

**1.3** The Company may accept or reject any Swap-free account request at its sole discretion, without obligation to provide reasons.

## **2. Carry Charges**

**2.1** While Swap-free accounts are exempt from overnight swap charges, certain instruments may be subject to Carry Charges following a position being rolled over for a consecutive number of days as determined by the Company.

**2.2** The applicable instruments, Carry Charge amounts, and the number of qualifying rollover days are published on the Company Website and/or Trading Platform, and may be amended at any time at the Company’s sole discretion without prior notice.

**2.3** The Client is responsible for monitoring current Carry Charge schedules before opening or maintaining positions on a Swap-free account.

## **3. Prohibited Use**

**3.1** Swap-free accounts may not be used for the primary purpose of generating profit from the absence of swap charges or from any arbitrage strategy related to the Swap-free status.

**3.2** Clients may not claim reimbursement for any swap amounts that accrued prior to the granting of Swap-free status on their account.

## 4. Abuse and Fraudulent Activity

4.1 If the Company identifies any abusive, manipulative, or fraudulent activity in connection with a Swap-free account, including but not limited to swap arbitrage, cash-back exploitation, or misrepresentation of eligibility, it reserves the right, without prior notice, to:

- revoke the Swap-free status on any or all of the Client's trading accounts;
- cancel, reverse, or void any open or closed trades associated with such activity;
- reclaim any un-accrued swaps, interest, or costs for the period during which the account held Swap-free status;
- forfeit profits and/or terminate the Client's account(s).

## 5. Revocation of Swap-Free Status

5.1 The Company may cancel a Client's Swap-free status at any time, at its sole discretion and without prior notice or explanation.

5.2 Upon revocation, standard swap charges will apply to all new positions opened from the date of revocation.

## 6. Amendments

6.1 The Company reserves the right to amend this Policy at any time, including changes to eligible instruments, Carry Charge amounts, rollover day thresholds, or eligibility criteria. Updates will be communicated via the Company Website and/or Trading Platform.

6.2 Continued use of a Swap-free account following any amendment constitutes the Client's acceptance of the revised terms.

## 7. Governing Law

7.1 This Policy is governed by the laws of **Saint Vincent and the Grenadines** and forms part of the contractual framework established under the Client Services Agreement (VT-CA-001).

## **Governing Language**

In the event of any discrepancy between translations, the **English version shall prevail**.
